Coordinate System: NAD 1983 UTM Zone 12N, Projection: Transverse Mercator

Data represented on this map is for REFERENCE USE ONLY and is not suitable for legal, engineering, or surveying purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information. SITLA provides this data in good faith and shall in no event be liable for any monetary results, or any special, indirect or consequential damages to any party, arising out of or in connection with the use or the inability to use the data herein.

Land parcels, lease boundaries and associated SITLA data layers may have been adjusted to allow for visual "fitting". The surface ownership and status data if present are maintained by SITLA to reflect current land status and surface ownership. Lakes, rivers, streams, highways, roads, dunes and state boundaries are distributed by the Utah Assessment Geographic Reference Committee other sources as specified. Contour lines of present were generated from USGS 10 meter DEM.

Please Note: While SITLA seeks to verify data for accuracy and content, discrepancies may exist within the data. According to the most updated SITLA ownership GIS data may require contacting the GIS staff directly with a GIS ID or SITLA GIS@blm.gov. The SITLA GIS department welcomes your comments and concerns regarding the data and will attempt to resolve issues as they are brought to our attention.
